Dear Purdue University Calumet Graduate School of Education:

I am writing this letter to recommend Mr. Alex Criswell for acceptance into The Master of Science in Education program at Purdue University Calumet, with an anticipated start date of spring 2013. I have known Mr. Criswell for the duration of his college career; serving as his mentor. He is an excellent role-model, and a well-rounded, hospitable person. He works well with his peers and has demonstrated great potential for success when conversing and intermixing with industry professionals. Alex possesses a warm sense of professional friendliness. He is intelligent, highly motivated and caring for people who he associates with on a daily basis.

Currently, Alex is working toward his Master of Arts in Communication and Creative Arts; however, he is considering pursuing his Master of Science in Education, while also working part time. He is a remarkable young man capable of setting goals and achieving them. His experience includes working in many aspects of the hospitality business management industry, ranging from customer service, food and beverage to administrative duties. In addition to his scholastic achievements, he has also excelled in many community-based organizations. He is an all-out, goal orientated person with a drive to accomplish anything.

I highly recommend Alex Criswell for acceptance into The Master of Science in Education graduate program at Purdue University Calumet. Please do not hesitate to contact me if I can be of additional assistance.

Best,

Susan Finke, CHE, Ph.D. Candidate
