To Whom It May Concern,

Please accept this letter as a recommendation for Alex Criswell to be considered in the Masters Program at Purdue Calumet.

My former student, Alex Criswell, is currently working towards a Master of Arts Degree in Communication at Purdue University Calumet. He recently earned his Bachelor's Degree in Hospitality and Tourism Management (HTM) from Purdue University Calumet in May of 2011. While earning his M.A., he has been an excellent mentor to me while completing my coursework in HTM at Purdue University Calumet. I am pleased to announce I will be graduating this May, partially because of Alex's motivation and guidance. Recently, Alex came to me and asked for my thoughts on him obtaining another Master's Degree at Purdue. I was ecstatic to hear the news and informed him that obtaining a dual-degree would be an excellent choice as I foresee a bright future in his path.

Alex is a prompt, studious, attentive, hard working student, and was extremely cooperative with all of his instructors and fellow classmates. Alex displays the highest integrity, possesses strong leadership qualities, and is determined to achieve his goals. It is with these thoughts in mind that I can give Alex Criswell the highest recommendation possible for being considered as a recipient of your Master of Science in Education Program at Purdue Calumet.

Thank you so very kindly for your assistance in helping Alex Criswell as he achieves his life-long goal(s).

Sincerely,

Rosella Golub
