Dear Dr. Magesh Chandramouli,

It is with great pleasure that I recommend Mr. Alex Criswell for Student Employee of the Year at Purdue University Calumet (PUC). Alex displays a high degree of integrity, responsibility, and ambition. He is definitely a leader rather than a follower.

In addition to his excellent scholastic accomplishments at PUC, he has proven his leadership ability by sharing his expertise of technology in the Office of Instructional Technology (OIT) lab with undergraduate and graduate faculty. Many times I met with Alex for what I thought was a very complex problem. Within minutes, he was able to solve my problem. But what makes Alex unique is that he provides his knowledge with good humor and in a nonjudgmental way. He is a well-disciplined, industrious student with a pleasant personality. His good judgment and mature outlook ensure a logical and practical approach to his endeavors.

Alex is a good choice for Student Employee of the Year and I am happy to give him my wholehearted endorsement. If I can be of any further assistance, or provide you with any further information, please to not hesitate to contact me.

Sincerely,

Kathleen Kleefisch
